

Modelo breve de CV

Nombre del profesor	María Rosa Ayesa Arriola
Doctor/a (Sí/No)	Sí
Número de años de experiencia docente	13
Líneas principales de investigación	Neuropsicología • Evaluar el curso temprano y longitudinal de las funciones cognitivas en pacientes con enfermedades psiquiátricas comparando sus evaluaciones neuropsicológicas con las de familiares de primer grado y controles. • Examinar la relación entre las funciones cognitivas y variables clínicas, genéticas y de neuroimagen. • Evaluar la influencia de la función cognitiva en el curso y el pronóstico de las enfermedades mentales.
Experiencia y reconocimiento profesionales relevantes para su actividad docente	Investigadora del Sistema Nacional de Salud con Contrato Miguel Servet Nivel Científico A recogido por el Instituto de Salud Carlos III

Formación académica universitaria (añada las filas que precise)

Nombre del Título	Entidad	Fecha de la titulación
Doctorado en Medicina y Psiquiatría	Universidad de Cantabria	23/11/2010
Licenciado en Psicología Clínica	Universidad Nacional de Educación a Distancia	01/09/2006
Licenciado en Psicología Industrial	Universidad Nacional de Educación a Distancia	01/09/2005

Docencia universitaria reglada impartida (añada las filas que precise)

Titulación y Universidad	Nivel (Grado, Máster, etc.)	Cursos académicos en los que ha impartido dicha docencia
Psicología de la emoción: Universidad Nacional de Educación a Distancia	Grado en Psicología	17/02/2021 - 15/06/2022 01/10/2009 - 30/06/2015

Psicología de los grupos: Universidad Nacional de Educación a Distancia	Grado en Psicología	01/10/2020 - 15/02/2022
Psicología del lenguaje: Universidad Nacional de Educación a Distancia	Grado en Psicología	01/10/2020 - 15/02/2022
Neurodinámica: Escuela Gimbernat	Grado en Fisioterapia	01/10/2012 - 15/02/2022
Psicología Médica: Universidad de Cantabria	Grado en Medicina	01/02/2019 - 30/06/2019
Psicopatología: Universidad Europea del Atlántico	Grado en Psicología	03/10/2016 - 03/02/2017
Evaluación en psicología clínica: Universidad Nacional de Educación a Distancia	Grado en Psicología	01/02/2012 - 30/06/2015
Psicología del aprendizaje: Universidad Nacional de Educación a Distancia	Grado en Psicología	01/10/2009 - 30/06/2015
Psicología de la educación: Universidad Nacional de Educación a Distancia	Grado en Psicología	01/02/2011 - 30/06/2013
Practicum: Universidad Nacional de Educación a Distancia	Licenciatura en Psicología	01/03/2011 - 30/06/2011
Psicopatología: Universidad Nacional de Educación a Distancia	Grado en Psicología	01/03/2011 - 30/06/2011
Psicopatología II: Universidad Nacional de Educación a Distancia	Licenciatura en Psicología	01/03/2011 - 30/06/2011
Psicología de la personalidad: Universidad Nacional de Educación a Distancia	Licenciatura en Psicopedagogía	01/02/2009 - 30/06/2009
Psicología del desarrollo: Universidad Nacional de Educación a Distancia	Diplomatura en Trabajo Social	01/02/2009 - 30/06/2009
Psicología del desarrollo: Universidad Nacional de Educación a Distancia	Diplomatura en Educación Social	01/12/2008 - 30/06/2009
Psicología social: Universidad Nacional de Educación a Distancia	Licenciatura en Psicopedagogía	01/02/2009 - 30/06/2009
Procesos psicológicos básicos: Universidad Nacional de Educación a Distancia	Licenciatura en Psicopedagogía	01/12/2008 - 31/01/2009

Psicología Básica: Universidad Nacional de Educación a Distancia	Diplomatura en Trabajo Social	01/12/2008 - 31/01/2009
Psicología social: Universidad Nacional de Educación a Distancia	Diplomatura en Trabajo Social	01/12/2008 - 31/01/2009

Publicaciones científicas (añada las filas que precise)			
Título	Tipo (revista, libro, ,...)	Nombre revista o editorial	Año publicación
A family study on first episode of psychosis patients: exploring neuropsychological performance as an endophenotype	Revista	Acta Psychiatrica Scandinavica	2022
A proxy measure of premorbid adjustment in psychosis for large-scale epidemiological studies and electronic health record-based research	Revista	Schizophrenia Research	2022
Age-dependent genetic variants associated with longitudinal changes in brain structure across the lifespan	Revista	Biorxiv (Preprint)	2022
Brain ageing in schizophrenia: evidence from 26 international cohorts via the ENIGMA Schizophrenia consortium	Revista	Medrxiv	2022
Disentangling early and late onset of psychosis in women: identifying new targets for treatment	Revista	Archives Of Women's Mental Health	2022
Genetic variants associated with longitudinal changes in brain structure across the lifespan	Revista	Nature Neuroscience	2022
Identifying Electroencephalography Biomarkers in Individuals at Clinical High Risk for Psychosis in an International Multi-Site Study	Revista	Frontiers In Psychiatry	2022

Virtual Ontogeny of Cortical Growth Preceding Mental Illness	Revista	Biological Psychiatry	2022
[Patient simulation for hand therapy in an anesthesiologist after an occupational injury: A case study]	Revista	Rehabilitación	2021
Aripiprazole vs Risperidone for the acute-phase treatment of first-episode psychosis: A 6-week randomized, flexible-dose, open-label clinical trial	Revista	European Neuropsychopharmacology	2021
Cognitive reserve as a moderator of outcomes in five clusters of first episode psychosis patients: a 10-year follow-up study of the PAFIP cohort	Revista	Psychological Medicine	2021
Comparison of aripiprazole and risperidone effectiveness in first episode non-affective psychosis: Rationale and design of a prospective, randomized, 3-phase, investigator-initiated study (PAFIP-3)	Revista	Revista De Psiquiatria Y Salud Mental	2021
COVID-19 as a unique opportunity to unravel the link between prenatal maternal infection, brain development and neuropsychiatric disorders in offspring	Revista	Revista De Psiquiatria Y Salud Mental	2021
COVID-19 Infection During Pregnancy and Risk of Neurodevelopmental Disorders in Offspring: Time for Collaborative Research	Revista	Biological Psychiatry	2021
Differences between psychiatric disorders in the clinical and functional effectiveness of an acute psychiatric day hospital, for acutely ill psychiatric patients	Revista	Revista De Psiquiatria Y Salud Mental	2021

Different neurocognitive profiles of risperidone and aripiprazole in the FIRST episode of psychosis: A 3-year follow-up comparison.	Revista	Progress In Neuro-Psychopharmacology & Biological Psychiatry	2021
Dissecting the functional outcomes of first episode schizophrenia spectrum disorders: a 10-year follow-up study in the PAFIP cohort	Revista	Psychological Medicine	2021
Education and Long-Term Outcomes in First Episode Psychosis: 10-year follow-up study of the PAFIP cohort	Revista	Psychological Medicine	2021
Effects of copy number variations on brain structure and risk for psychiatric illness: Large-scale studies from the ENIGMA working groups on CNVs	Revista	Human Brain Mapping	2021
